

WHAT WE DO

Dry

By leveraging relationships with leading top-tier national, regional, and local LTL carriers, we deliver competitive dry LTL solutions tailored to your needs. Our extensive carrier network gives you flexibility and buying power while offering top notch customer service. With proactive tracking and real-time updates, you're never caught off guard by delays or disruptions. Plus, our team helps you avoid unnecessary accessorial charges and ensures a smooth, timely billing process.

Reefer

We specialize in temperature-controlled LTL, offering reliable nationwide coverage across all 50 states and Canada. By utilizing our extensive network of reefer LTL providers, we deliver flexible capacity and outstanding service across a full range of temperatures, from frozen to ambient. Our network is constantly expanding to meet evolving customer demands, ensuring we always have the right carrier, at the right time.

LTL at Cooler Logistics

At Cooler Logistics, we simplify the complexities of LTL freight, so you don't have to! Whether you're moving dry goods or temperature-sensitive products, our robust network of trusted carriers ensures reliable coverage and flexibility. With deep roots in the food and beverage industry, we understand the specialized requirements of grocery freight as well as any other freight you may have. Trust Cooler's industry experts to manage your LTL shipments with precision, care, and efficiency.
